

**CAST & CREW ANNOUNCES PROMOTIONS OF STACY KEETER AND JEFF CARUSO,
FURTHER STRENGTHENING ITS SALES TEAM STRUCTURE**

BURBANK, CA – March 30, 2016 – Cast & Crew Entertainment Services, the premier provider of technology-enabled payroll and production-management services to the entertainment industry, today announced the following promotions in its Sales team:

- Stacy Keeter has been promoted to Vice President of Sales & Marketing. In her new position, she continues to play a large role with key core clients and oversees the Burbank Sales & Marketing team, the sales support staff and the newly formed Production Accounting Services group.
- Jeff Caruso has been named Director of Sales & Marketing. In addition to focusing on new business development, he is responsible for maintaining key core relationships and driving the company's efforts in the independent market.

Keeter joined Cast & Crew in 2010 after spending 19 years as a production accountant. Caruso joined the company in 2012 from Summit Entertainment, where he was Vice President, Production Finance.

"We have a very talented team here and I am pleased that we can recognize Stacy and Jeff's exceptional efforts," said Ken Goldstein, Senior Vice President, Sales & Marketing. "Stacy is known for her strong leadership and customer service, and for building excellent relationships with clients, colleagues and staff. Jeff's knowledge of the industry and understanding of our clients' needs have contributed to our significant growth."

These additions to the Sales leadership team follow the announcement last year that Andrew Jablonski, who works in Cast & Crew's New York office, was promoted to Vice President of Sales & Marketing, East Coast. Jablonski oversees international activities as well as East Coast relationships.

"Andrew has been very instrumental in Cast & Crew's strong performance over the past several years and, now, with Stacy and Jeff taking on greater leadership responsibilities, the Sales team is poised to continue to contribute significantly to our growth," Goldstein said. "As a company, we are developing industry-leading products and moving to more-efficient processes to strengthen our client relationships and drive continued growth."
