

## **CAST & CREW STRENGTHENS TECHNOLOGY TEAM WITH TWO SENIOR APPOINTMENTS**

### **John Cullen joins as Vice President of Software Engineering and John Tooley hired as Senior Security Information Officer**

**BURBANK, CA – June 27, 2017** – Cast & Crew Entertainment Services, the premier provider of technology-enabled payroll and production-management services to the entertainment industry, today announced the appointment of John Cullen as Vice President of Software Engineering and John Tooley as Senior Security Information Officer. Both will report directly to Andrew Patterson, Cast & Crew's Chief Technology Officer.

Cullen brings decades-long experience in software engineering, from successful start-ups such as WWC and ServiceMax to tech giants Yahoo and Oracle. Most recently, he was Senior Director of Engineering at ZipRecruiter, where he led the team that developed the company's international, web-based platform.

Tooley joins Cast & Crew with nearly 20 years of experience in the entertainment information technology security sector. He most recently served as a cybersecurity risk and compliance advisor for The Walt Disney Company, where he designed and built its optimized security, risk and compliance programs.

"John Cullen and John Tooley are experts in their respective fields, and they both bring valuable expertise at a critical time to Cast & Crew," said Patterson. "Not only are we developing the industry's best-in-class digital products, but we have a long-held reputation for taking information security very seriously. We're honored to have them both join our growing technology team."

"I'm thrilled to be part of the growing Cast & Crew team and to play a role in building state-of-the-art software that will digitize the entertainment production lifecycle," said John Cullen. "The team of engineers here are some of the best in the business and are dedicated to delivering products we – and our clients – can be proud of."

"Joining a company where quality, integrity and security are key values, I knew I would be part of a team that understands the importance of information security," said John Tooley. "With Cast & Crew's advancement into digital products, it is even that much more critical that our clients trust us to share information securely. I look forward to being part of a team that is steadfast in delivering this level of service to our valued clients."
