(2) The amount of each grant awarded pursuant to this section shall not exceed twenty-five percent (25%) of the total expenses incurred by a production company for a project; except, however, the department may award grants in excess of this amount if deemed appropriate by the department. It is the legislative intent that funding be appropriated each year in the general appropriations act for awarding grants. (6) The credit provided for in this subsection (j) shall not apply to tax years beginning on or after July 1, 2012; provided that this subdivision (j)(6) shall have no effect on the right of any taxpayer to realize the benefits of any credit provided under subsection (j) in the event that the commissioner of revenue and the commissioner of economic and community development determine that the taxpayer's production is in the “best interest of this state” pursuant to Section 67-4-2109(j)(1)(A) and the taxpayer incurs expenses related to such production prior to July 1, 2012.

SECTION 11. This act shall take effect on July 1, 2012, the public welfare requiring it.
