## Cast & Crew Celebrates First Quarter of PCard+ Sales, Offers 1% Cash Back

**Purchase card and expense-management solution for productions offers easy admin controls, real-time funding and balance/transaction views, mobile app and seamless integration with PSL+**

BURBANK, CA – February 12, 2019 – Cast & Crew today announced enhanced benefits and features to its business debit card and expense-management system for productions, [PCard+](#). Customers can now earn one percent cash back for every dollar spent with no limits.<sup>1</sup> Users can sign-up instantly – no paper forms or check deposits – and PCard+ can be set up to seamlessly feed into Cast & Crew’s industry-preferred production accounting software PSL+, or be used on its own.

The company, a leading provider of software and services to the entertainment production industry, has received strong sales of PCard+ in its first quarter, boasting active users across film, television and digital streaming productions.

PCard+ is specifically designed with productions in mind, enabling customers to easily manage funds on-the-go, whether on-set or elsewhere. Plus, automatic balance reloads can guarantee funds are always available to crew – anytime, anywhere.

Additional PCard+ features include:

- **Automatic import into PSL+** – charges are automatically available in PSL+, eliminating the need for manual export and import
- **Instantly fund accounts** – either through a direct link to a chosen bank account, or through wire transfer or ACH
- **Real-time views** – monitor all balances and transactions in real-time, and cardholders can view available spend limits on-the-go; app available in both iOS and Android
- **Mobile alerts and notifications** – ability to set personal alerts, including controls to instantly turn cards “on” or “off” as needed
- **Extensive card controls** – set any spend limit amount (down to the penny, with a \$10 minimum), as well as select which days the cards are active and acceptable merchant types
- **Coding and receipt management** – cardholders can split and code transactions from the mobile app or website, and use the app to take pictures of receipts
- **In-app support** – ability to chat directly with a PCard+ Support team member

“Designed for productions, our purchase card and expense-management solution, PCard+, is set to be a game changer in the industry,” said John Berkley, Cast & Crew’s President. “Combining one percent cash
