If the total amount of allocated credits applied for under this paragraph in any year exceeds the aggregate amount of tax credits allowed for such year under this paragraph, such excess shall be treated as having been applied for on the first day of the next year. If the total amount of allocated tax credits applied for under this paragraph at the conclusion of any year is less than five million dollars, the remainder shall be treated as part of the annual allocation made available to the program pursuant to paragraph four of subdivision (e) of this section. However, in no event may the total of the credits allocated under this paragraph and the credits allocated under paragraph five of subdivision (a) of section thirty-one of this article exceed five million dollars in any year during the period two thousand fifteen through two thousand ~~twentyfive~~ **twenty-six**.
