#### ARTICLE 10. FILM PRODUCTION TAX CREDIT

Section 10-5. The Illinois Income Tax Act is amended by changing Section 213 as follows:

(35 ILCS 5/213)

Sec. 213. Film production services credit. For tax years beginning on or after January 1, 2004, a taxpayer who has been awarded a tax credit under the Film Production Services Tax Credit Act or under the Film Production Services Tax Credit Act of 2008 is entitled to a credit against the taxes imposed under subsections (a) and (b) of Section 201 of this Act in an amount determined by the

Department of Commerce and Economic Opportunity under those Acts. If the taxpayer is a partnership or Subchapter S corporation, the credit is allowed to the partners or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

A transfer of this credit may be made by the taxpayer earning the credit within one year after the credit is awarded in accordance with rules adopted by the Department of Commerce and Economic Opportunity. ***Beginning July 1, 2023, if a credit is transferred under this Section by the taxpayer, then the transferor taxpayer shall pay to the Department of Commerce and Economic Opportunity, upon notification of a transfer, a fee equal to 2.5% of the transferred credit amount eligible for nonresident wages, as described in Section 10 of the Film Production Services Tax Credit Act of 2008, and an additional fee of 0.25% of the total amount of the transferred credit that is not calculated on nonresident wages, which shall be deposited into the Illinois Production Workforce Development Fund.***

The Department, in cooperation with the Department of Commerce and Economic Opportunity, must prescribe rules to enforce and administer the provisions of this Section. This Section is exempt from the provisions of Section 250 of this Act.

The credit may not be carried back. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first. In no event shall a credit under this Section reduce the taxpayer's liability to less than zero.
