## Notice to Workers

In order to be considered for unemployment insurance benefits, you must file an unemployment claim. No benefits can be paid to you for any week before you actually file your unemployment insurance claim. **Failure to file your claim or delaying the filing could affect your eligibility for benefits. You should always file your claim as soon as possible after becoming unemployed. You will not be considered eligible until your claim is filed.**

When you file the claim, be sure to have available your Social Security number and the complete name, address, and telephone number of each employer that you worked for in the past 18 months.

You may apply for unemployment benefits online 24 hours a day, 7 days a week at [myunemployment.nj.gov](http://myunemployment.nj.gov) or you may call a Reemployment Call Center (phone numbers below).
