### Speed

Payments are swiftly deposited into your account(s)—no more waiting for the mail.

### Reliability

Over 93% of workers in the U.S. receive payments through direct deposit.

## How It Works

Signing up is fast and easy. Once you've registered for a MyCast&Crew account, just follow these simple steps for your personal account:

1. Log in and select Direct Deposit in the My Profile section. Safely and securely link your bank account.
2. Enjoy the benefits of getting paid sooner!

Note: If you have an agent and want your payments to direct deposit to your agency, paperwork must be submitted to your production who will submit to Cast & Crew. Both the updated Cast & Crew Direct Deposit form and Agent Authorization form need to be provided. Cast & Crew can then set up the agency account specified with proper authorization. The payments will be processed as a live check until the setup is complete, which may take several payroll cycles.
